# Start simple with MyPlate Plan

The benefits of healthy eating add up over time, bite by bite. Small changes matter.  
Start Simple with MyPlate.

A healthy eating routine is important at every stage of life and can have positive effects that add up over time. It's important to eat a variety of fruits, vegetables, grains, protein foods, and dairy or fortified soy alternatives. When deciding what to eat or drink, choose options that are full of nutrients. Make every bite count.

## Food Group Amounts for 1,000 Calories a Day for Ages 2 to 3 Years

Fruits	Vegetables	Grains	Protein	Dairy
<b>1 cup</b> Focus on whole fruits Focus on whole fruits that are fresh, frozen, canned, or dried.	<b>1 cup</b> Vary your veggies Choose a variety of colorful fresh, frozen, and canned vegetables—make sure to include dark green, red, and orange choices.	<b>3 ounces</b> Make half your grains whole grains Find whole-grain foods by reading the Nutrition Facts label and ingredients list.	<b>2 ounces</b> Vary your protein routine Mix up your protein foods to include soy products; eggs; seafood; lean meats and poultry; beans, peas, and lentils; and nut and seed products.	<b>2 cups</b> Move to low-fat or fat-free dairy milk or yogurt (or lactose-free dairy or fortified soy versions) Look for ways to include dairy or fortified soy alternatives at meals and snacks throughout the day.

Choose foods and beverages with less added sugars, saturated fat, and sodium.  
Limit:

- Added sugars to **less than 25 grams** a day.
- Saturated fat to **less than 11 grams** a day.
- Sodium to **less than 1,200 milligrams** a day.

Be sure to consider food safety when feeding young kids.
